Part II: Certification of Financial Resources

You must review the following instructions before completing and signing this form. Failure to properly complete the form and provide acceptable proof of financial support will result in delays in the processing of your visa document. **Students who receive financial support from the University of Pittsburgh in the form of a Teaching Assistantship, Graduate Student Assistantship or other awards covering all estimated tuition, fees, and living expenses do not need to complete and submit Part II.**

1. Review the cost estimates (below) and the estimated length of the degree program to which you are applying.
2. Complete the certification indicating the amount of support that will be provided for each year of the program. In addition, you must attach proof, such as a bank statement or letter, of immediately available liquid assets for the first 12 months of study. Real estate or other non-liquid assets such as automobiles, jewelry, or other personal property cannot be used to demonstrate financial support for the first 12 months.
3. Financing for the subsequent years can be demonstrated by providing letters or other documentation verifying ongoing anticipated earnings such as salary or investment income or other assets that will demonstrate your ability to fund your program for the entire duration of the program.
4. All proof of financial support must be original documents in English. The date the document was issued must be clearly indicated.
5. Evidence of financial support must also be shown to the U.S. Consulate when applying for a visa. Therefore, **you will need to have two sets of financial support documents**—one to submit to the University of Pittsburgh and one for the U.S. Embassy or Consulate.
6. Students may provide proof of financial support from more than one sponsor. The attached form may be copied and provided to any additional sponsors.

Graduate Cost of Attendance Figures for 2012-2013

The estimates below are based on actual costs for Academic Year 2011-12. For immigration purposes, providing evidence of financial support to meet the costs outlined below is sufficient; however, please note that **actual costs will likely increase for the 2012-2013 academic year**. Students should add **\$3,820 per year for each dependent** family member (spouse and/or unmarried children under the age of 21) who will accompany them to the United States.
