pitt in italy

In Spring 2013, Pitt in Italy will introduce a semester-long option in Florence that allows students at all levels—from absolute beginner to advanced major—an exciting range of options:

- ≈ take Pitt-equivalent coursework in ANTH, ECON, ENGWRT, ITAL, PS, PSY, SA, URBNST
- ≈ fulfill General Education Requirements in Literature, Foreign Culture, Foreign Language
- ≈ complete an A&S-approved internship in fields ranging from fashion and business to publishing and social work
- ≈ enroll directly at the University of Florence*

** advanced students only*

pitt in italy

In Summer 2013, Pitt in Italy will expand its summer offerings to include a beginners' program in Rome, Italy:

- ≈ explore Italy's capital city, seat of modern Italian government and ancient empires
- ≈ take introductory Italian language courses, including an intensive course combining ITAL 0001 and 0002 into one class
- ≈ complete coursework in English that counts toward an Italian major or minor

pitt in italy

In Summer 2013, for the 20th consecutive year, Pitt in Italy will offer a summer program for Italian majors and minors requiring at least one year of college-level Italian prior to admission.

≈ experience language immersion in the city where the modern Italian nation was born

≈ take 7 credits of coursework applicable towards the Italian major or minor

≈ accelerate your progress through the program and in your Italian by studying intermediate or advanced language in Italy
